Oluwo Olanipekun (Brain Madigan)

Brian Madigan was initiated as Oluwo Olanipekun by the IFA Foundation International. His mission is to teach gay and bisexual men to trust their internal compass, to act on their inherent wisdom, and to have confidence in our benevolent Universe as they discover Purpose and Meaning in their lives. We all need support and guidance as we gravitate to the experiences and learnings that help us manifest our own unique destiny. By building a relationship with Brian as your IFA coach, you'll learn to develop trust in yourself and build a connection to your own higher wisdom, your Guardian and the other Orisa, your Ori, and your ancestors.
