Oluwo Ifajuyigbe (Carl)

After being involved with Santeria for 14 years- I was still searching for spiritual guidance. One day in 2015 I found the Ifa Foundation Website, not knowing then that it was the first step for me in spiritual enlightenment. Not knowing what to expect-- I put my TRUST into what will be. I received my Guardian Orisha and was initiated into Ifa as a Babalawo. Through my many visits to Florida I grew to become closer with all the Orisha's. With this profound connection I went on and became an Oluwo. I take this Honor very seriously. And now I am here to support others in their quest for spiritual help, guidance and encouragement.
