Oluwo Ifajuitan (Javier Lujan)

A long time Ifa scholar and supporter of the Ifa Foundation. He was first initiated as an Osun priest in 1996 and subsequently became the first openly Gay Babalawo 4 years later.

Javier started on this spiritual quest as a young man but it wasn't until he came across the Ifa Foundation that he finally felt at ease to learn more about Ifa and continues to grow spiritually. "The Ifa Foundation was the right fit for me because it did not only valued diversity but it was also devoid of fears and superstitions". "The teachings are true to Ifa as it has been handed down from generation after the next, yet remain pragmatic and contemporary to make it applicable to our current world view".
